Sagittaire Express Essentiel

Crafted with the expertise of our gunsmiths, the **Sagittaire Express Essentiel** delivers remarkable accuracy. Its black action and carefully enhanced wood, finished with a hand-rubbed oil treatment, give the rifle balance and perfect harmony.

Features and benefits:

- New receiver design with inlaid Verney-Carron logo.
- Slimmed aluminum receiver: more elegant and lighter.
- Selected wood: ★★ grade walnut, oil-finished, ½ pistol grip stock with tulip-shaped fore-end.
- Convergence adjustment wedge system.
- Secure locking system: ensured by two side locks.
- High-precision 56 cm rifled barrels.
- Sighting system: battue rib with 3-dot rear sight and fiber-optic front sight.
- Optics mounting: battue rib machined to allow the installation of an optic rail or pivot mounts.
- Trigger: non-selective gold-plated single trigger.
- System: extractor.

Calibers	8X57 JRS 9,3X74 R
Receiver material	Ergal
Receiver finish	Black
Weight	3 kg
Barrel length	56 cm
System	Extractor
Trigger	Single trigger
Pre-Tax price	1 100,00 €
Retail price	1 990,00 €

Sagittaire Express Saint-Hubert

The **Sagittaire Express Saint-Hubert** rifle reflects the high standards upheld by our gunsmiths. Its action, engraved with arabesques and wildlife scenes depicting a stag and a wild boar, is paired with ★★★ grade walnut stocks, hand-sanded and oil-finished, and complemented by a wild boar grip cap. This luxurious model embodies the spirit of Saint Hubert: respect, heritage, and reverence for nature.

Features and benefits:

- Slimmed receiver: more elegant and lighter. Aluminum for 9.3x74R and 8x57JRS, steel for .30-06 SPRG.
- Selected wood: ★★★ grade walnut, sanded and oil-finished, ½ pistol grip stock with tulip-shaped fore-end. Aluminum boar butt plate.
- Convergence adjustment wedge system.
- Secure locking system: ensured by two side locks.
- High-precision 56 cm rifled barrels.
- Sighting system: battue rib with 3-dot rear sight and fiber-optic front sight.
- Optics mounting: battue rib machined to allow the installation of an optic rail or pivot mounts.
- Trigger: non-selective gold-plated single trigger.
- System: extractor or ejector.
- Supplied in a case.
